COMMONWEALTH HEALTH FOUNDATION

ANNUAL REPORT
2009

For the good of the community...

Commonwealth Health Foundation is the philanthropic arm of Commonwealth Health Corporation (CHC). Commonwealth Health Foundation builds relationships that inspire charitable giving by individuals, foundations, corporations and organizations. These gifts help support the mission of CHC to care for people and improve the quality of life in the communities it serves.

For more information about the Foundation, please visit
www.commonwealthhealthfoundation.org or call (270) 796-5543.

MESSAGE FROM THE CHAIR AND EXECUTIVE DIRECTOR

It is our great pleasure to share with you the 2009 Annual Report. Throughout the past year, we have been enriched by the many people who have contributed their time, money and energy to nurture the Foundation's purpose — to support the mission of Commonwealth Health Corporation.

Although challenging, 2009 has been a successful year. It was a year of rebuilding our community and our nation. We have all felt the pressures of decreased resources; however, these tough times have pushed us to be better, stronger and wiser. Only with your support can we make our mission a reality as we touch the lives of so many.

The upcoming year holds many opportunities for Commonwealth Health Foundation, and we look forward to continued success. We want to acknowledge our donors who make this possible, as each one is extremely committed to a worthwhile cause. Several will leave a legacy to help future generations; others will donate their time and talents to enrich the environment in which we live and grow; and still others, who donate even the smallest gift, will realize the impact they can make when combined as a whole.

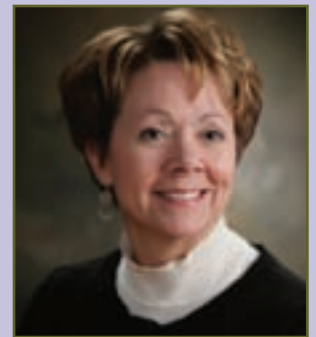

On behalf of Commonwealth Health Foundation's Board of Directors and staff, thank you for your continued support. Together, we are laying the foundation of health and well-being for a community our children and grandchildren will call home. We hope you enjoy the stories of lives we have touched and the progress that defines our organization on the following pages. A decade has passed since the Foundation's inception, and we remain committed to upholding our mission with pride and diligence.

COMMONWEALTH HEALTH FREE CLINIC

Free Clinic is Helping More Patients than Ever

Prior to 2009, Commonwealth Health Free Clinic's dental program provided services to approximately 4,800 patients. This was made possible through the support of volunteer dentists and the financial support of Commonwealth Health Corporation and Commonwealth Health Foundation. "We have always been proud of the work being done here, but hoped someday we would have an opportunity to help an even greater number of dental patients," stated Carla Reagan, the Clinic's Executive Director.

In 2009, the Free Clinic assumed the operations of the dental practice previously operated through Fairview Community Health Center, hiring their existing employees and moving the dental practice, along with state-of-the-art equipment, into the Free Clinic's building. The Dental Clinic opened its doors in April 2009, providing low-cost, basic dental services to qualifying patients in Southcentral Kentucky. "This allows us to continue to see a majority of former Fairview patients, and increase the availability of affordable services to those who have relied on the Free Clinic in the past," added Reagan. "We now accept Medicaid patients, but still treat those who are uninsured."

The new "fee-for-service" structure of the dental program includes charges that are extremely low — in most cases, just \$10 or \$20 per service. These fees help offset the cost of equipment and supplies. "We are finding most patients do not have a concern with paying a small fee," said Reagan. "But, without the continued financial support of our donors, the discounted services offered at The Dental Clinic would not be possible." She added, "It's important to remember the services offered at the Clinic's medical program are still free."

The Dental Clinic provided basic services, including extractions, fillings and cleanings, to more than 1,500 individual patients in the first nine months of operation. Additionally, to date, 125 sets of dentures have been provided to patients at no charge or at a greatly discounted cost.

"Good dental health is connected to the rest of your body. If your dental needs are not met, your overall health will be affected," said Reagan. "We are very thankful and honored to make a positive difference in the lives of those we serve and are very appreciative of the support of our donors."

A caring home in a time of need.

Commonwealth Health Foundation successfully completed the quiet phase of its first ever Capital Campaign, *Extending Home*, in December 2009 with more than \$1.7 million in pledges and donations. An estimated \$3 million is needed to construct, furnish and establish an endowment to ensure ongoing operation of The Hospitality House.

To learn more about The Hospitality House
and how you can support the Extending Home Capital Campaign,
please visit www.hospitalityhousebg.org or call (270) 796-5543.

BENEFITS TO OUR COMMUNITY

The Hospitality House

Every day, as many as 50 percent of The Medical Center and Commonwealth Regional Specialty Hospital patients come from outside Warren County for care including cardiac, cancer, orthopaedic and neonatology services. On average, these patients spend nearly five days in the hospital, and patients of Commonwealth Regional Specialty Hospital—a long term acute care hospital within The Medical Center—stay an average of 25 days. These patients and their families are confronted with many care and treatment decisions. Often underestimated during this time are the financial burdens associated with a family member’s illness or injury—the added expense of travel, food, lodging, out-of-pocket medical expenses, and the possibility of loss or reduction in wages.

Located on the campus of The Medical Center, The Hospitality House will have 12 private guestrooms with baths, a large kitchen, dining room, prayer room, community room with comfortable furnishings, and a business center with computers and Internet service. The house will provide a “home away from home” where patients’ families can eat, sleep and take care of even the most mundane daily tasks such as laundry. The Hospitality House will also provide emotional support to families. There will not be a charge to stay at The Hospitality House; however, guests who are able to make a donation for each night they stay will be encouraged to do so.

With your support, Commonwealth Health Foundation will meet the basic needs for families of critically ill patients by constructing The Hospitality House.

Scholarships

Carrel K. Sumner Family Memorial Scholarship

Recipients of the 2009–2010 Carrel K. Sumner Family Memorial Scholarship are Allison Hall, Certified Nursing Assistant, and Sarah Pruitt, daughter of Dana and Robert Pruitt, Engineering Specialist, of Scottsville.

This scholarship was established to honor Carrel K. Sumner and recognize the contributions he made to CHC. Mr. Sumner devoted more than 38 years of his life to healthcare in Southcentral Kentucky through his service to CHC. His legacy will continue to change lives and improve the health of our community for many generations to come.

Brite Scholarship. Doris C. Thomas, Vice President of Marketing/Development, and Laura Holderfield, Executive Director of Commonwealth Health Foundation, present the awards to Vickie Pape (left, center) and Whitney Eggleston Curry (right, center).

James W. and Mary Carolyn Wolfe Brite Nursing Scholarship

Recipients of the Brite Scholarship for 2009–2010 are Vickie Pape and Whitney Eggleston Curry. The Brite Scholarship is open to employees of Commonwealth Health Corporation and covers tuition, books and nursing fees for the nursing program at Western Kentucky University. Vickie has been employed by The Medical Center as a Certified Nursing Assistant for 10 years. Whitney is employed by The Medical Center as an Emergency Room Technician.

James W. and Mary Carolyn Wolfe Brite established the scholarship in 2003 in response to the national nursing shortage. The Brites are members of the Foundation's Warren Society and Heritage Circle.

Newborn Care and Safety Initiative receives grant from Kohl's

A \$24,874 grant from Kohl's Department Stores is funding The Medical Center and Kohl's Cares for Kids® Newborn Care and Safety Program. This program provides an incentive bag filled with several safety items for newborns given to expectant parents who attend the class. In 2010, the program will offer additional classes which will reach out to those parents in high risk populations who may not have the opportunity to participate in prenatal education. Since partnering with Kohl's, more than \$74,000 has been donated to benefit children's health initiatives in our community. The grant money is raised from the purchase of plush animals and books from Kohl's Department Stores.

Connie Smith, CEO of The Medical Center (front row, center), and Kathleen Riley, Vice President (front row, left), receive a check from Kristal Barnes, Kohl's local store manager and other Kohl's representatives. Also pictured are Amber Herman, OB-GYN Labor & Delivery Clinical Manager (back row, left), and Betsy Kullman, Chief Nursing Officer (back row, center).

The Medical Center Rehabilitation Services receives donation of Lingraphica device

Dana Depp, Rehab Services Speech Therapist, and Norman Hunter with the Lingraphica device.

January 2009 brought many challenges to WKU chemistry professor Norman Hunter and his family. Norman suffered an ischemic stroke — a stroke that caused aphasia (speech impairment).

After months of speech therapy at The Medical Center Rehabilitation Services in Bowling Green, Norman was able to improve his communication skills. A major part of his rehabilitation was the Lingraphica device, which functions much like a laptop, using preloaded letters and words to allow patients to personalize common phrases according to their specific needs.

It is hard for any of us to understand the true value of this machine until we are faced with a traumatic situation like Norman's.

"Frustration has been my constant companion," said Norman. "I am truly thankful for the Lingraphica and the difference it has made in my life."

A Lingraphica machine was donated by Mrs. Marilyn Keith to The Medical Center Rehabilitation Services. Mrs. Keith's mother, Helen Maywhort, used the Lingraphica the same way as Norman — as a vital link to communication. Realizing the impact that this donation could have, Marilyn stated, "After the passing of my mother, we felt that someone else could benefit from its use."

Many patients in similar situations have benefited from the Lingraphica since its donation, but we are very excited to report a candidate is currently being reviewed to receive this machine. This younger woman has no insurance and does not qualify for Medicare. Only those who have gone through the stress and frustration of aphasia can truly realize the value of this gift. It is not only the monetary donations that are most appreciated. Grateful patients and families can show their appreciation with gifts like this.

The 2009 Charity Ball

THE CHARITY BALL

"Tuscan Elegance" filled the air as the 5th Annual Charity Ball kicked off the holiday season on Saturday, November 14. The Sloan Convention Center was transformed into an elegant panorama of delight with room decor in rich Tuscan colors and beautiful table arrangements by à la occasions and MacKenzie's.

As the evening unfolded, guests enjoyed a delicious Tuscan-themed formal dinner and then danced the night away to the sounds of City Lights, a premier dance band. The live and silent auctions were especially captivating, including a semi-baroque strand of pearls, mahogany mink coat, ladies diamond rings, and a Mediterranean cruise.

The Charity Ball was an extremely successful event raising more than \$175,000 for Commonwealth Health Free Clinic. This black-tie evening has a tremendous impact on the lives of the patients and families served by the Free Clinic. Supporters of this premier event have once again made a difference in the health of our community.

EMPLOYEES CONTRIBUTING TO HELP OTHERS

One of Commonwealth Health Foundation's largest donor groups is the employees of Commonwealth Health Corporation (CHC). In 2009, more than 700 CHC employees chose to support Commonwealth Health Free Clinic, The Hospitality House, Community Wellness or area of choice through donations totaling more than \$112,000. Appropriately named ECHO (Employees Contributing to Help Others), this annual employee participation program demonstrates the support employees have for the not-for-profit healthcare initiatives of CHC. Again, what a difference this makes in the lives of those in the communities we serve.

TRIBUTES

Oftentimes, individuals choose to make donations in tribute to a loved one or event. You can remember loved ones who have passed on, honor those who are still with us or celebrate a birth, anniversary or birthday. Tribute gifts are a simple way to commemorate a life and help those who are less fortunate.

MAKE THE SEASON BRIGHT

The year 2009 brought joyful memories as crowds gathered to celebrate another very successful year for the *Make the Season Bright* program. A candle lighting ceremony followed by holiday music and a visit from Santa Claus were enjoyed by all. More than \$15,000 was raised to support Commonwealth Health Free Clinic.

The program is offered by the Breakfast Club Committee of Commonwealth Health Foundation.

THANK YOU FOR YOUR SUPPORT

In Memoriam

FLOYD ELLIS

BOB HENSLEY

Floyd Ellis

The Commonwealth Health Corporation family mourns the loss of its Chairman and good friend, **Mr. Floyd Hays Ellis**. Mr. Ellis began his loyal and dedicated service to our corporate family in 1983 as a member of the Board of Directors of the Bowling Green-Warren County Community Hospital Corporation. He is a founding member of Commonwealth Health Corporation and served in the capacity of Chairman for 21 years.

His service to our organization was honored several years ago by the formation of the Floyd H. Ellis Scholarship Fund.

During his career, he served as President and CEO of Warren Rural Electric Cooperative for 20 years and was State Senator from 1965–1969. Mr. Ellis, our friend and teacher, will be sadly missed but always remembered.

Bob Hensley

We say goodbye to a very devoted and dedicated friend. **Robert (Bob) Hensley**, Commonwealth Health Foundation Board and The Hospitality House Steering Committee member, left us on November 11, 2009.

He was a graduate of Western Kentucky University and the University of Kentucky Law School, where he was a Life Fellow. Mr. Hensley had been a special justice on the Kentucky Supreme Court and on the 6th U.S. Circuit Court of Appeals. He started his own law firm in 1970, which is currently Hensley and Ross Attorneys at Law, where he was actively practicing as a mediator.

He brought a wealth of business knowledge and compassion to the Foundation. His passion to give back to the community was well acknowledged. His welcoming smile and demeanor will be missed by all who knew him.

NEW BOARD MEMBERS FOR 2010

Gary Broady, Elise Konwiczka, Lisa Leachman and Shannon Vitale join Commonwealth Health Foundation Board of Directors

Gary Broady

Gary Broady

The Board welcomes Mr. Gary Broady as he begins his tenure in 2010. His knowledge of business and leadership skills will be an asset to the Foundation board.

Mr. Broady currently holds the position of Chief Executive Officer of Franklin Bank & Trust Company, Franklin, Kentucky and Franklin Bancorp, Inc. He has been in this position since 1998. He actively participates and serves on many professional and community boards which include Western Kentucky University Advisory Council and the Board of Directors for Franklin Bank & Trust Company and Franklin Bancorp, Inc. He is a member of the Foundation's Warren Society. He and his wife, Gail, have one daughter, Beth.

Elise Konwiczka

Elise Konwiczka

Mrs. Elise Konwiczka has held the position of Chairman of the Community Relations Committee for the past two years and is an active member of the Foundation's Development Council. The Community Relations Committee oversees the annual Charity Ball held each year in benefit of the Free Clinic. Elise is passionate about her commitment to make a difference in the lives of those in our community, and is looking forward to serving on the Board of Directors. Mrs. Konwiczka and her husband, Bill, are avid supporters of the Foundation. They have two children: Justin and Tiffany.

Lisa Leachman

Lisa Leachman

The Foundation is fortunate to have Mrs. Lisa Leachman beginning her tenure on the Board in 2010. Lisa, owner of à la occasions, is also an active member of the Community Relations Committee. She is committed to providing outstanding services to our community through her in-kind donations of time, talent and décor as witnessed through our annual Charity Ball for the past three years.

Lisa acknowledges the responsibility and commitment needed to improve the health of our community for future generations. She and her husband, Bill, have lived in Bowling Green all of their lives. Lisa has two children, Chappell and Philip, both of Bowling Green.

Shannon Vitale

Shannon Vitale

Mrs. Shannon Vitale joins the Foundation Board with a wealth of business knowledge. She has been employed at Hilliard Lyons for more than 23 years and holds the position of Assistant Branch Manager and Financial Consultant. She has served on the Bowling Green Warren County Community Foundation Board and attended Western Kentucky University. Her compassion and drive to improve our community is reflected by her commitment as she accepts this position on the Foundation board. She and her husband, Michael, are Warren Society members. They have three children: Adam, Jack and Sam.
